**Welcome to Living Savior Preschool (LSP).** We are a Christ-centered program and a part of the Church's outreach to the community. We look forward to being a part of your child's preschool experience.

**Licensed Program:** We are licensed by the Commonwealth of Virginia. Our program is designed to provide a safe and nurturing environment, while promoting the physical, social, emotional, and intellectual development of children 2 ½ years of age through Pre-K. **Accreditation:** By selecting LSP, you have chosen a program for your child that is accredited by the **National Academy of Early Childhood Programs**, a division of the **National Association for the Education of Young Children (NAEYC)**, the nation's largest organization of early childhood educators. Our preschool has voluntarily undergone a comprehensive process of self-study and invited external professional review. We have been found to be in compliance with the criteria set forth by NAEYC.

**Purpose and Objectives:** At LSP we believe that our program offers young children one of the best opportunities for achieving the goals of a Christian education outside of the home. Our school can help children develop healthy personalities, form values, and develop the conscience, feelings, and attitudes which form the foundations for a positive self-image and good relationships. We believe that dedicated and committed Christian teachers can provide young children with numerous opportunities for development.

**Curriculum:** Living Savior incorporates curriculum themes, content areas, the *Virginia Milestones of Child Development* and the *Creative Curriculum*, as a means for planning a developmentally age appropriate program and environment for children to grow and learn. Additional programs include chapel, music, movement, field trips and in-house programs.

**Classes Offered:** LSP offers classes for 2 1/2, 3, 4 and a pre-kindergarten/transition class. A particular class may be changed or canceled if the minimum enrollment is not met.

For those who enroll after June 1, the May prepayment will be due within 60 days and is not refundable. The remaining tuition payments (September through April) will be due on the 1st of every month and considered late after the 10th of each month.

*If you have any questions or wish to schedule a tour of the facility, please call the preschool office at 352-4208. The director will schedule a time to meet with you and tour the school.*

**Method of Registration:** Children are

admitted into LSP on a first-come, first-served basis. The non-refundable registration fee should accompany the registration form to complete the registration process. When a class is filled, a wait list is created for that class. **All students must be “potty-trained” before entering our program.** In the case of incomplete potty training, the May 2013 prepayment will be refunded upon notification given prior to August 1, 2012.

**Open House and Parent Orientation:** An

open house will be held for students and their parents in September the week before classes begin. The open house will provide an opportunity for you and your child to explore the classroom, playground, and meet your child's teachers. In addition, a Parent Orientation will be held after classes have begun. In late July LSP will mail an enrollment packet to each student, which will include all necessary paperwork, as well as open house information. **All paperwork must be completed and returned on or before your child's open house date. A Virginia School Entrance Health Form must be completed before your child begins school.**

**Eligibility for Preschool:** LSP admits

students of any race, color, national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. We do not discriminate on the basis of race, color, national or ethnic origin in the administration of our educational policies, admissions policies, and other school administered programs.

As of July 1, 1998, proof of identification and age is required at the time of registration.
